

# Montana Transportation Alternatives Program

## Main Street ADA – Deer Lodge

### TA 39(46)

### UPN 9453000

Project scope: This project replaced select locations of existing sidewalks and updated sidewalk corners to current ADA and PROWAG design standards in the City of Deer Lodge. The project consists of approximately 2,100 ft of Americans with Disabilities Act (ADA) compliant sidewalk and 49 curb ramps. The project provided new sidewalk along portions of Main Street between Texas Avenue and California Avenue. The purpose of the project was to create safe and convenient connections for users accessing local businesses along Main Street including the historic Old Montana Prison.
